

2023 Perennial Plant List

This is a list of perennials we have this year. The (N) after a plant name indicates **NH/New England NATIVE PLANT**. We have around 50 different Natives in the perennial line up and additional ones in Trees and Shrubs.

This list **does not include** the **trees, shrubs, fruit plants, and herbs** we will have for sale. Vendors at the sale will be selling vegetable plants, herb plants, annuals, hanging baskets to name a few.
